About Us

The LAZ Foundation was established in 2019 as a 501c3 non-profit organization. The Foundation operates as a charitable arm of Zeta Phi Beta Sorority, Incorporated, Lambda Alpha Zeta Chapter which is in Seattle, Washington. The Foundation was created to award college scholarships for high school seniors; facilitate community engagement opportunities within the Seattle area; and support the overall mission of Zeta Phi Beta Sorority, Incorporated.

We continuously explore opportunities to support our core programs centered around service and scholarship. We pursue our mission by developing collaborative partnerships. Our signature programs and partners include Full Life Care (Adult Health Services), Mayors Day of Concern, Adopt -A-School, March of Dimes, and Mary's Place. We mentor high school students by providing outreach and cultural enrichment activities. We conduct annual fundraisers to award college scholarships for high school graduates.
